

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., Feby. 9th, 1885.

Sir:

I have this day forwarded per Adams Express a set of weights from 10000 of an ounce to $\frac{50}{100}$ of an ounce furnished by the Bureau of Weights Measures for the use of your Mint as requested in your letter of the 22nd ultimo, also one 1004 milligram weights furnished for the use of the Annual Assay Commission for standardizing the salt-water solution for the humid assay of silver.

Very respectfully,
 Horatio E. Birchard
 Director.

Anders Swenden Esq
 Supt. U. S. Mint
 Philadelphia, Pa.

W.P.L.
